

Motorola Launches MILESTONE™ XT800 - India's First Android™ - Powered Dual Mode/Dual-SIM (CDMA + GSM) Touch Screen Smartphone

World phone capability with a great mobile Internet experience

Mumbai, 24th January 2011: Motorola Mobility India Private Limited today launched MILESTONE™ XT800, India's first Android™-powered CDMA EVDO/GSM dual standby mode/dual SIM touch screen smartphone that allows the user to choose the network.

MILESTONE XT800 offers a mobile Internet experience with WiFi/WAPI¹ and world phone¹ capability for smart professionals who need to connect with business, family and friends anywhere, at any time. It also features high-definition multimedia features that enable you to capture every momentous occasion.

"We have specially designed the MILESTONE XT800 to provide infotainment-on-the-go for consumers who want a device that matches the demands of an hectic lifestyle like that of a senior professional," said Faisal Siddiqui, country head for India, Motorola Mobility. "We believe in bringing the power of Android closer to the Indian consumer--stylish and unique form factors, innovative and compelling features and, experiences that offer greater flexibility and ease of use. MILESTONE XT800 delivers on all this and much, much more."

Enjoy multimedia on the new stylish MILESTONE XT800 with its amazingly clear, eye-catching 9.3cm (3.7inch) 854x480 pixel FWVGA landscape touch display. Capture memories and moments with the 5MP digital-zoom autofocus camera capable of great low-light shots with dual LED flash. The mobile video experience is a visual delight with capture/playback/streaming either to the built-in screen or via HDMI (720p) output directly to a high-definition television.

MILESTONE XT800 has a built-in GPS satellite navigation^{1&2} with Google Maps™ that helps the user find the current location quickly, accurately, and easily. MILESTONE XT800 helps you stay productive with viewing and editing documents in popular formats including Word, Excel, PowerPoint, PDF and Zip.

"We are proud to be Motorola's exclusive distributor for MILESTONE XT800 in India. This dual mode/dual SIM mobile phone brings together smarter mobility and smarter networkability for a powerful mobile Internet experience," said Mike Narula, chairman and chief executive officer, AirTyme Communications. "We believe MILESTONE XT800 will open newer choices for Indian consumers to explore and adopt with greater flexibility."
